

# Iredell County Government Vision Plan

Iredell County Government is pleased to provide this summary of the voluntary vision plan available to our employees. The plan enables employees and their families to significantly reduce their expenditures for routine eye care. Offered through Community Eye Care, the benefit includes the following:

## COMPREHENSIVE PLAN

- An eye exam once a year (\$10 co-pay)
- A \$140 allowance for eyewear annually (\$10 co-pay)
- A contact lens fitting, re-fit or evaluation once a year (\$10 co-pay)

## EYEWEAR PLAN

- A \$140 allowance for eyewear annually (\$10 co-pay)

Under each of the above plan options, the \$140 eyewear allowance is completely flexible. The allowance can be applied to frames, spectacle lenses, contact lenses, special lens options, or any combination. So long as you select eyewear having a retail price that's less than or equal to your allowance, your only out-of-pocket expense for the eyewear is the \$10 co-pay.

## HOW TO USE THE BENEFIT

1. Select a provider from the Community Eye Care provider network.
2. Call the provider to make an appointment, and let them know that you have Community Eye Care coverage.
3. See the doctor and select your eyewear.
4. Your only payments to the provider are your co-pays, plus any discounted amount that exceeds the \$140 eyewear allowance.

## SEMI-MONTHLY RATES

## CLAIMS

There are no claims to file when you see an in-network provider. Network providers file claims on your behalf.

Additionally, most CEC network providers offer discounts on the overage if you exceed your allowance — 20% on glasses and 10% on contact lenses.

If you see a non-network provider, simply submit a claim form and a receipt to Community Eye Care.
