DELINQUENT TAX COLLECTION PROCEDURES

Please be advised that Iredell County reserves the right to ensure all employees have no delinquent taxes at the time of hire and throughout the duration of employment.

Iredell County will submit a monthly new hire report to the Tax Collector's Office to ensure that taxes have been paid. If you have delinquent taxes, you will receive a notification from the Tax Collector's Office and the Human Resources Department. You will be required to contact the Tax Collector's Office immediately at 704-878-3020 to make payment arrangements. Failure to do so will result in your wages being garnished and you will be subject to an additional service fee for the garnishment.

It is the obligation of the County to also provide the Iredell County Tax Collector's Office an annual listing of all current employees and their addresses in order to collect delinquent taxes.

** This form is to be included in the new employee personnel packet and covered during new employee orientation**
